

Technical Data Sheet

Product Code	FT BS
Product Description	High temperature turquoise polyester flash tape - silicone adhesive Widths available:- 12.5mm, 25mm and 50mm Roll length 66m (carrier tape thickness 0.025mm, adhesive thickness 0.038mm)

General Description	A thin, strong, silicone-adhesive coated polyester film carrier, with exceptional high quality and high performance properties. Special silicone adhesive exhibits high temperature resistance.
----------------------------	---

Properties

Colour:	Dark Blue
Carrier Thickness:	0.025 mm
Adhesive Thickness:	0.038 mm
Overall Thickness:	0.063 mm
Adhesion to Steel:	800g / 25mm
Tensile Strength:	11 kg / 2.5 cm width
Elongation:	100%
Maximum Usage Temperature:	200°C

IMPORTANT INFORMATION:

The information cited is in good faith and has been established from sources held to be secure and reliable. The values listed are typical properties and are not intended to be used as specifications for defined applications. Users must determine the product suitability for the end use application and assume all risks and liabilities.
